## Body found is missing Gareth

A BODY found in the Malaysian jungle has been confirmed as London backpacker Gareth Huntley.

The Foreign Office said DNA results showed the body discovered on Tioman Island on Wednesday was that of the 34-year-old.

The cause of death has not yet been determined, Malaysian Police have said.

Mr Huntley, from Cricklewood, went missing on the island on May 27, when he is believed to have gone on a trek to a waterfall.

The body was found in a pond near the Juara Turtle project, where he had been living and working as a volunteer.

# MYSTERY MONSTER EATS 9-FOOT GREAT WHITE

DEEP TROUBLE: Creature would have to be huge

**A FEARSOME nine-foot-long great white shark has been EATEN WHOLE by a mysterious underwater beast.**

The female shark was tagged off the coast of Australia as part of a scientific program to track the species and better understand their movements.

But after four months of tracking, the device was found washed ashore on an Australian beach, 2½ miles from where the shark was tagged.

Data from it indicated that the great white shark – considered to be at the top of its food chain – had been SWALLOWED by an unknown predator.

### Inside

According to the tracking device, the shark, nicknamed "Shark Alpha", was swimming at a depth of 1,900ft off Australia's continental shelf when a huge temperature change occurred.

It showed a rapid increase from 46F to 78F.

The only way that could happen is if the shark was inside another animal, scientists said.

Filmmaker Dave Riggs, who is making a documentary called *Hunt for the Super Predator*, said: "When I was first told about the data that came back from the tag that was on the shark, I was absolutely blown away.

"The question that not only came to my mind but everyone's mind who was involved was 'what did that?'

"It was obviously eaten. But what's going to eat a shark that big? What could kill a nine-foot great white?"

### Colossal

It's possible the wild water beast that consumed the mighty sea predator was itself a "colossal cannibal great white shark", scientists said.

But they're not sure – and nor are they sure why a shark consumed a fellow shark.

One theory is that the monster shark – which would have to be at least 20-ft long and weighing over three tons, may have been involved in a territorial dispute with the smaller one.

## Banned boobs Bond babe is Eva so cross!

FUMING movie beauty Eva Green has SLAMMED censors who banned her BOOBS.

Last week a poster *(above)* featuring Eva – for upcoming movie *Sin City: A Dame to Kill For* – was pulled by the Motion Picture Association of America.

The frumpy prudes disapproved of the image "for nudity – curve of under breast and dark nipple/areola circle visible through sheer gown".

But French actress Eva, 33, says it's a beautiful pic that deserves to be ogled.

The former Bond girl said: "I find it a bit odd. It seems like it's all just publicity – a lot of noise for nothing.

"You have so many more violent things in the movie business, this is kind of soft.

"I'm not naked. It's suggested. I find it really sexy, actually. It's kind of beautiful.

"I don't want to upset anybody. I don't want to be seen as just the femme fatale or put into some silly box. I hope people will have enough imagination."

GAIN OF THRONES: Letizia shows off boobs that made her a queen

By JUSTIN DUNN
justin@sundaysport.co.uk

**HOLD on to your castanets – it's the incoming Queen of Spain with her top off!**

Letizia Ortiz, 41, will become queen consort when her husband Felipe takes over the Spanish monarchy from his father, Juan Carlos, on June 18.

But their ten-year marriage has been dogged in controversy from the beginning, with many in the staunchly Catholic country upset that a divorcee was marrying into royalty.

There was yet more trouble when it was revealed that Letizia had become an artist's muse while cutting her teeth as a journalist on the Mexican newspaper *Siglo XXI* in 1996.

Then just 24, Letizia posed topless for a photograph for Cuban painter Waldo Saavedra, who then used the image in a variety of different paintings.

Letizia may well have forgotten about the images as she went on to forge a massively successful career in TV journalism, mainly with Spanish channel TVE.

She reported live from Ground Zero following the 9/11 attacks on the World Trade Center in New York and also covered the Iraq War from Baghdad in 2003.

Her engagement and later marriage to the Prince of Asturias shocked Spain, until it was revealed her first wedding had been a civil ceremony and so not recognised by the Catholic church. But then she was further embarrassed when artist Saavedra allowed the topless images to go public.

King Juan Carlos, 76, announced he was abdicating the throne in favour of his son last week.

One Spanish commentator said: "The Princess of Asturias will make a wonderful queen consort. Whatever she did in her younger days is behind her."

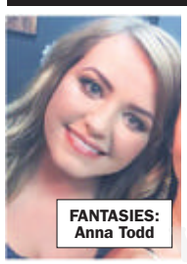
# WOMAN MAKES MINT FROM HARRY STYLES FINGERING FANTASY



FANTASIES: Anna Todd

A WOMAN who wrote web-based sex fantasies about One Direction pop heart-throb Harry Styles has landed a six-figure book deal.

Publishers Simon and Shuster signed up Anna Todd after the three volumes of her racy online tale *After* series clocked up an astonishing 800 MILLION views.

Todd, 25, who is married and lives in Texas, tells the story of fictional Tessa Young, a young student who meets moody "Harry Styles" and his mates "Niall", "Louis", "Liam", "Zayn" when she goes to college.

Relayed in short, two or three page chapters, the story describes how Tessa eventually falls for "Harry's" bad boy charms, allowing him to FINGER her and later giving him a W*NK all the way to a messy completion – with later chapters going MUCH further!

It's thought the new print and audio versions – out in November – will change the names of Harry and his 1D bandmates for legal reasons.

Todd has also sold the movie rights and has a range of *After* jewellery on sale.

## 'Queen' Liz is set to go nude on TV

ELIZABETH Hurley is to appear NAKED in a new TV show about the aristocracy.

Liz (*above*), 48, will play Queen Helena in the American series *The Royals*, about a fictional British monarchy.

A production source said the model and actress – who has had mixed success on the big screen – "wasn't shy" about flaunting her body for the cameras.

They added: "Liz has several nude scenes. She looks fantastic."

Hurley's queen downs wine from the bottle, dances on a table wearing hotpants and a sparkly vest, and announces, "I'm just a bitch with some money and power".

The series, which is being shot in the UK, should hit TV screens at some point next year.

**THE chair of the Dyslexic Society was recently given an OBE. He said, "What's the point, I can't play the bloody thing!"**

# 'I'D GIVE YOU A PEARL NECKLACE, HELEN!'

## Star faces smut after posting photo of gift

EX-*CORRIE* star Helen Flanagan was celebrating yesterday after being given a PEARL NECKLACE!

The chunky gift was a present from the 23-year-old's mum for going seven days without a cigarette.

Inevitably, though, the choice of such an item of jewellery was a gift to web wags who spotted Helen's snap of it on Instagram.

User *@bigsteve93* was the first to comment, declaring: "I'd give you a pearl necklace…"

The Urban Dictionary lists "pearl necklace" as "the glorious act of tit-f**ing, in which you blow your nuts out all over a girl's tits, shoulders, neck, and, with any luck, chin."

Helen, who will be cheering England on in their first World Cup group game against Italy on Saturday night, didn't stoop to respond.

Meanwhile, her footie ace fella Scott Sinclair has received a 56-day ban for driving his Ferrari above the speed limit.

The winger, currently on loan at West Bromwich Albion, got fined £500.

THE VOICE OF YOUR BRITAIN

# Evil feminist hags All too much for us!

**WE fail to understand the twisted mind of the revolutionary feminist.**

Despite vast improvements in domestic technology, such as new-fangled "washing-machines" and "vacuum-cleaners", a large minority of our womenfolk remain resentful and dissatisfied.

The average woman boasts more shoes than a Bohemian cobbler, is allowed to vote and may even have her own car – but still many find cause to gripe and groan.

And the strident bra-burner enjoys nothing more than targeting a member of the sisterhood who has strayed from feminist orthodoxy.

Look at the attacks on the lovely Kirstie Allsopp, who last week had the temerity to advise young women to do their reproductive duty before chasing delusional fantasies of a "career".

Miss Allsopp – a paragon of womanhood – was roundly slated by members of the Guardian-reading "chattering classes".

One wretch even saw fit to create a nude "fake" picture of the upstanding TV presenter.

**How upsetting that women – twisted by the diktats of the alien "feminist" creed – are reduced to spiteful hags, fit only for tending cats.**

## Sicko West 'almost had head cut off'

SERIAL killer Fred West escaped having his head cut off by a lynch mob after abusing the 12-year-old daughter of a sinister gang member.

The incident occurred in the early 1960s, years before vile paedo West met his future wife and partner-in-crime Rose.

The Glasgow scandal – revealed by author Colin MacFarlane – offers a harrowing insight into West's early depravity.

MacFarlane, 58, says West used to drive an ice cream van around the Gorbals suburb, and says: "When Malky Frazer, leader of the Cumbie gang, heard his 12-year-old sister had been abused by West, he went berserk.

"He vowed to kill West, saying he would slash his throat 'like a pig'.

"West got lucky that day. Malky had said he planned to cut his head off."

West, who committed suicide in 1995 while awaiting trial for 12 murders, was never seen in Gorbals again and moved to Gloucester.

By BARNEY SAMUELS
news@sundaysport.co.uk

And chocolate Labrador Buttons did not let his IT consultant owner down.

But instead of growling the name of an offal-in-intestines breakfast treat, Buttons let rip with a full-throated bellow of "BOLLOCKS!"

Craig, 25, from Levenshulme, Manchester, immediately contacted his favourite newspaper to share his joy and pride. He explained: "I was watching some old clips of a stupid old TV programme called *That's Life*.

"It was presented by Esther Rantzen (*right*) – you know, the one who goes on TV to say how it wasn't her fault that she ignored all those paedo rumours about Jimmy Savile.

"Anyway, there was this dog that supposedly said 'sausages'. And they say telly is shit today!

"But it gave me an idea to see if me and my dog could grab a slice of fame.

"I'd had a fair bit of gin – as it was a Wednesday afternoon – and decided to see if our Buttons could talk.

"Sure enough, he COULD talk. But instead of saying 'sausages' he said 'bollocks'.

### Dirty

"Well, he's got a dirty mind. Always sniffing other dogs' arses and humping women's legs."

It's unclear whether Buttons, who is six years old, knows what he's saying, but he clearly enjoys all the attention he gets after ejaculating the obscenity.

Craig said: "I always give Buttons a chocolate drop and a tickle on his tummy after he says 'bollocks'. Talent like that you have to foster."

Now Craig hopes to get his hound on the next series of *Britain's Got Talent*.

He said: "A dog saying bollocks may not be earth-shattering but it's a f*** sight better than that Chinaman with the paints the other week."

# DID RAIDERS ROB MILEY'S RABBIT?

## Fears that singer's favourite sex toy stolen in burglary

RAIDERS swiped a well-used sex toy during a burglary at Miley Cyrus's LA home, cops fear.

Pals of the *Wrecking Ball* songstress say the star is "gutted" light-fingered felons have been rifling through her most intimate belongings.

Miley's favourite c**t-buzzer is believed to be a soft-feel Rampant Rabbit model. A pal said: "If someone's had Miley's Rabbit, she'll done go crazy y'all."

Her brand new car – a swish Maserati Quattroporte – was also taken along with jewellery when the sneak thieves struck.

Cops believe a man and woman broke into Cyrus's San Fernando Valley house by climbing over a fence and then gaining entry through the garage.

The singer's assistant noticed "items" missing during a check on the home and called Los Angeles police.

They said the burglars had taken off in the white, four-door luxury sports motor.

A man and a woman were later arrested in connection with the burglary.

Naomi Charles, 21, of Los Angeles, and 19-year-old Arizona resident Tylor Scott were nicked while they were walking down a street in North Hollywood. Cops recognised the pair from surveillance footage.

Police also seized their vehicle, where they found several items they believed to be stolen — but it had not been determined whether the items were connected to the robbery at Miley's home.

The fate of the missing sex toy remains a mystery, though a source at LAPD HQ said "all lines of investigation are being pursued".

Miley is famously a fan of sex toys. Earlier this year she was pictured with a "Hand of Adonis" synthetic fisting aid (*right*).

## Jordan: I am not afraid to wear nappies

CHEATED Katie Price is looking forward to growing old – so she can wear NAPPIES.

The 36-year-old (*above*) – presumed by many to be obsessed with staying young – insisted she's "not scared" of ageing at all.

Pregnant Katie, AKA Jordan, recently learned her toyboy husband Kieran Hayler had been cheating on her with her best friend, Jane Pountney.

But at the launch of a hair dye product, Katie refused to play the victim. She said: "I've had a shit month, but I'm not going to let anyone down."

On growing old, the mum-of-four added: "Lots of people worry about ageing, but you're born like a baby – wrinkly, you need nappies and you're fed.

"If you look at most people who get old, that's how you end up. There's nothing you can do about it. You can have Botox to look fresher, but you're going to get old. I'm not scared of it at all."

And when police in the Cumbrian market town of Splint intervened, the protestors, from West Lancashire University, told them: "It's White Dee Day!"

The head of Splint's Veteran's Association, Capt Cyril Green, said: "This is not what my father fought the Hun for."

## Klansmen don Justin masks to support race hate row star

**MEMBERS of the white supremacist Ku Klux Klan showed support for embattled pop twerp Justin Bieber – by donning MASKS of the Canadian halfwit at their latest meeting.**

By SIMON DEAN
simon@sundaysport.co.uk

Bieber exploded onto international front pages last week when a series of videos emerged of him spouting unacceptable racial views.

In one 24-second clip he poses the riddle: "Why are black people afraid of chainsaws?' before imitating the noise of a chainsaw and saying: 'Run n*****, n*****, n*****, n*****, n*****'.

### Twerp

A second video emerged showing Bieber singing his hit song *One Less Lonely Girl*, but he changes the final words to "lonely n******".

The singer – who fans branded "an arrogant little twerp" over the footage, also uses sick lyrics about killing black people and joining the Ku Klux Klan.

FOR KLUX SAKE! Bieber has apologised for his race hate vids

The stunning footage will further jeopardise his career, which has already suffered from a string of run-ins with police in America and his native Canada.

But the row has done nothing to harm Bieber's reputation in the more traditional counties of America's Deep South, where views about racial integration tend towards the robust.

Cletus P. Stockfeather III, Grand Wizard of the Knights of the KKK (Tuscaloosa) chapter spat: "Hell, if this kid ain't allowed to speak his mind like I hopes his pappy taught him, what in tarnation has God's world come to, by jiminey?

"We all salute this fella and wore Justin Bieber masks at our latest chapter meeting to show our support.

"And not because we are goddamned faggots or nothing."

Justin Bieber has repeatedly apologised for the remarks made in the videos.

# Ambulance trust probe of sexuality info blunder

A BLUNDERING ambulance trust which accidentally published the sexual orientation of almost 3,000 of its staff on its website is at the centre of an investigation.

The Information Commissioner has launched a probe after pen-pushers at South Central Ambulance Service mistakenly included the private details of who was lesbian, gay or transgender in a report published online.

The offending report, which also included the age and religion of all 2,826 members of staff, was placed online in October 2013 and went unspotted for six months, when the data breach was revealed following a Freedom of Information request.

A spokesman for the service said it took immediate action, adding: "All affected individuals, including current and past members of staff, were informed of this breach in a personal letter from the chief executive officer."

The trust was said to be co-operating with the ICO's investigation.

Debbie Watson, from the Unite union, said: "If this can happen to staff data, which should be confidential, what about their patient data as well?"

# NO FLY ZIPPING!

## Sheep-farmer blasts doggers

By SARAH RIGG
news@sundaysport.co.uk

**FURIOUS sheep farmer Martin Lee has gone BAAmy over randy doggers and fly-tippers dumping their loads on his land.**

**He erected a sign which reads "No Doggers or Fly Tipping" before barricading the beauty spot with 10ft piece of parcel string.**

**Mucky sex fans have been flocking to the 400 acres of upland in Sabden Fold – a government appointed Area of Outstanding Natural Beauty near Burnley, Lancs. Martin, 42, whose family have farmed sheep there for three generations, said: "It's a damn pest. These cars are forever parking up on my land.**

**"If they're not getting up to their funny business, they're dumping rubbish and causing an obstruction."**

**Neighbouring landowner Ray Latham said: "I haven't spotted any doggers yet. I'll be looking out for them now though."**

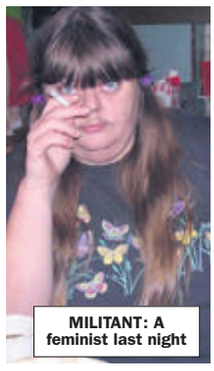
## Hairy-legged brigade vowed revenge on straight-talking presenter



MILITANT: A feminist last night

By JUSTIN DUNN
justin@sundaysport.co.uk

**TV presenter Kirstie Allsopp has become the latest victim of cruel internet pranksters.**

Wrongdoers have used fancy computer technology to paste a picture of her head onto the body of a plus-sized topless babe.

The FAKE image is thought to be the work of radical feminists angry at the *Location, Location, Location* host's remarks last week that suggested young women should skip further education and have babies instead.

The mum of four, 42, said: "I don't have a girl, but if I did I'd be saying 'Darling, do you know what? Don't go to university.

"'Start work straight after school, stay at home, save up your deposit.

"'And then we can find you a nice boyfriend and you can have a baby by the time you're 27'."

## Pic error puts cricket club on sticky wicket

HAMPSHIRE Cricket Club has blamed "hackers" after a photo of a TOPLESS babe somehow appeared on their official Twitter account.

The saucy post appeared via @hantscricket and showed a screen grab from a recent nude scene in TV show *Game of Thrones*.

The stunna in question is former *Hollyoaks* actress Nathalie Emmanuel, who plays freed slave Missandei in the Sky Atlantic drama.

But as cricket fans gazed adoringly at Nathalie's lovely boobs, the pic was swiftly deleted and replaced with an apology.

It read: "It appears our account has been hacked. Apologies for this, the issue has now been resolved."

But some Twitter fans weren't convinced.

One said: "And by 'hacked', you mean some muppet just clicked on the wrong file to upload. No-one's buying the 'we were hacked' approach."

CHEER WE GO: England supporters will be tempted by the fleshpots of Brazil

DON'T SIP FROM HER FURRY CUP: Footie fans have been warned about wily prozzies

## Chilling warning for randy England fans

By BRAD CHADWICK in Rio
news@sundaysport.co.uk

**WHEN you've just shot your mess up a long-limbed vice girl in a steamy foreign fleshpot, a cool, refreshing drink is often the first thing you think of.**

But if you're an England fan planning on porking prozzies in Brazil this summer, DON'T take any drinks offered to you!

Because the rim of any glass you are handed will almost certainly be smeared with a psychoactive drug from the feared ZOMBIE FROG.

The drug leaves victims like the walking dead for several hours. When they come round, it's often minus their valuables.

The skin mucus of the Amazonian zombie frog has been used for generations by tribes of Amazon savages in their various pagan rituals.

Rainforest women travelling to the cities to earn money as hookers soon found that a few drops left punters helpless.

And the best way they found to administer the drug was to smear it on the rims of glasses of post-coital cocktails.

The crafty whores are then free to rob their customers blind before sending them bewildered into the night.

### Minges

A source in the Brazil National Police said: "It is true that these girls from the forest know all manner of near-witchcraft ways.

"The poison of the zombie frog is ideal because it leaves victims helpless and vulnerable – but still able to walk."

A Foreign Office source admitted he "was not yet aware" of the specific threat from zombie frog toxins.

Hookers have a long and dubious tradition of using knockout-style drugs to rob unwary football fans.

Prior to the last World Cup in South Africa in 2010, authorities warned whores were using strong sedative gel smeared on their breasts.

And last year *Sunday Sport* reported that six men had died in Nigerian after sucking on the poisoned minges of local floozies.

## Sophie and Porchia cause a splash with topless hol strip

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

**GLAMOUR beauties Sophie Howard and Porchia Watson have shared candid snaps of their BREAST holiday ever.**

The mega-boobed babes jetted out to sunny Spain last week and enjoyed a raunchy dip in their swimming pool.

Lucky locals on the Spanish island of Majorca got to ogle these two fantastic lovelies and their massive NORKS.

Gorgeous Sophie, 27, and Porchia, 25, whipped their tops off as soon as they arrived at their villa.

Keen to compare their huge assets, the pair jumped at the chance for a raunchy skinny dip.

Stripping down to reveal her 34G palm-stretchers, Southport hottie Sophie couldn't wait to suck on something hard – grabbing an ice lolly and giving it a good licking.

Talking about the holiday, 32DD Basildon sexpot Porchia said: "We had the best trip ever. I love hanging out with Sophie and she has the best boobs ever.

"Everywhere we went guys were checking us out. They must have liked what they saw!"

## Gay rights 'will lead to bus w*nks'

AN activist has claimed that gay rights will lead to men being allowed to masturbate next to people at bus stops.

David Ortiz, a former contributor to the conspiracy theory website Infowars, made the comments while interviewing anti-gay activist Peter LaBarbera.

Ortiz said: "The moment you cave in to moral relativism, where it's not about values it's about love, you open up a whole other Pandora's box.

"Why can't a man sexually relieve himself next to you on a bus stop, as long as he's not groaning, as long as he cleans up after himself?"

LaBarbera replied: "I totally agree with you about the masculinity crisis, I think homosexuality in itself is a masculinity crisis. Tough guy homosexual masculinity is not the real deal. Masculine men do not have sex with other men."

## PE Sir's videos of girl in nude

**A PE teacher was nicked for filming a foreign exchange student in the SHOWER.**

**Darrien Lamont Tucker, 39, was charged with five counts of visual surveillance with prurient intent after trying to film an 18-year-old in the nude.**

**While the unnamed female student was staying with Darrien, the teacher placed his Apple iPad under the bathroom door in the hopes of catching her showering.**

**But she noticed the device and set up a camera outside the bathroom to catch him in the act.**

**When quizzed, Tucker said he had placed his iPad under the door four or five times, taken vids, but had deleted them.**

**The teacher has since been suspended from the McLean school in Potomac, Maryland.**

## TV Judith's pantie-free travel guide

TELLY globetrotter Judith Chalmers has admitted never wearing KNICKERS during her 30 years presenting *Wish You Were Here?*

The famously orange-hued TV host says she was following orders not to show any VPL – visible panty line – while on camera.

So she decided to stay going commando as it meant easier packing for her travels.

Chalmers, 77, said her closely guarded secret was leaked when chat show host Graham Norton asked her how many pairs of knickers she stuffed in her case.

She revealed: "Graham said: 'Do you take one pair and wash them, two pairs and wash them or one for every day of the week?'

"So I said I don't take any and he said: 'You what?'"

Judith left her pants at home after a wardrobe assistant advised she should avoid VPL.

The mum-of-two added: "So, I'm sorry to reveal that after 30 years of *Wish You Were Here?*, I was pantless all the time."

**A DRUNK was arrested for repeatedly calling the emergency services complaining that his wife had "thrown out his beer".**

**Cops say thirsty Carlos Bueno Mir rang the emergency hotline several times whinging about his lack of booze.**

**Eventually, officers visited him at his home, where he was warned off calling them again.**

**However, shortly after they left, Bueno Mir – who was clearly drunk – rang the emergency service again, telling an operator that a woman had broken into two of his beers.**

**Over the course of four hours, he dialled 911 from home in West Palm Beach, Florida, SEVEN times.**

**He now faces charges of misusing the 911 system and making false complaints.**

# CRYING KIDDIES USED AS 'BIGFOOT BAIT'

## Fury at rogue Yeti hunters' unethical tactics

**Gemma Massey**
**Age 29, 32G-24-34, from Tamworth**

CONCERN: Man-ape expert Woolheater

By NEIL GOODWIN neil@sundaysport.co.uk

**TWISTED Bigfoot hunters are using bawling CHILDREN as BAIT during searches for the mythical animals.**

That's according to outraged Sasquatch experts who've slammed the practice, labelling it 'unethical behaviour'.

The astonishing claims were made on the Cryptomundo website by Craig Woolheater, a man-ape specialist who's appeared on History Channel's *Monster Quest*.

He said: "Unethical behaviour involves the use of children in the field as a potential attractant through their laughter or through crying.

"This practice poses a risk to their safety, both physically and mentally.

"A crying child might attract Bigfoot, but also might attract predators like black bears, grizzly bears, cougars, and wolves – and the fear may cause physiological damage to the child.

GLIMPSE: Bigfoot

"Twenty years of therapy for a chance at a photograph of Bigfoot simply is not right – it borders on child abuse."

Only once a sprog knows how to deal with a potential Bigfoot encounter should the little 'un be let loose in the forest.

Dallas-based Woolheater adds: "At least don't use them until the child understands the inherent dangers, armed with the knowledge of known animals and how to react in any given situation."

# THE CURSE OF Google

## GOOGLE'S TOP SEARCHES 2013

By SIMON DEAN
simon@sundaysport.co.uk

**INTERNET search engine Google is CURSED and stalked by the shadow of DEATH!**

That's the evidence from a *Sunday Sport* probe which links the multi-billion pound web monster to ill fortune.

Our tech department looked up tax-shy Google's five most-searched for names in 2013. Of the five, no fewer than FOUR are stone cold dead.

The Google roll of death includes:

- *Fast and Furious* actor Paul Walker – who perished in a fireball when his car crashed in November last year.
- *Glee* actor Cory Monteith – who died of a toxic combination of heroin and alcohol last July.
- Ex-South African President and all-round good egg Nelson Mandela – who died on December 5, 2013, aged just 95.
- Latter-day Boadicea Margaret Thatcher – who passed away on April 8, 2013.

The only person on Google's top-five list is Olympic semi-robot Oscar Pistorius... and he's on trial for murder!

Last night University of West Lancashire statistician Dr Ken Grune said: "While there is no evidence whatsoever that Google has caused the deaths of these people, four of Google's top five most-searched list are dead.

"Come on! What are the chances of that happening?"

## Russian jet feels the need for speed

A RUSSIAN fighter jet buzzed "dangerously close" to a American military plane in a scene "straight out of *Top Gun*".

The jet flew within 100 feet of the nose of a US Air Force reconnaissance plane over the Sea of Okhotsk between Russia and Japan in April.

The fly-by "put the lives of the US crew in jeopardy", said one Defense Department official, calling it "one of the most dangerous close passes in decades".

The incident occurred on April 23 when an American RC-135U flying on a routine mission was intercepted by a Russian Su-27 Flanker.

The Russkie aircraft turned and "showed its belly" to the American crew so they could see it was armed with missiles.

US authorities did not originally discuss or reveal the incident publicly because it chose to deal with it privately with Russian officials.

In the 1986 classic Cold War movie *Top Gun*, starring Tom Cruise, US and Soviet fighters are shown playing a deadly game of cat and mouse above the Indian Ocean.

By NEIL GOODWIN neil@sundaysport.co.uk

**RUSSIAN gangs are using complex computer viruses to unleash an explosive SEX TAPE epidemic.**

The UK's National Crime Agency last week warned of new file-swiping programmes called "GameOver Zeus" and "Cryptolocker".

They're both designed to mine laptops and PCs for data, with Eastern European mafia dons then BLACKMAILING the owners for return of personal information.

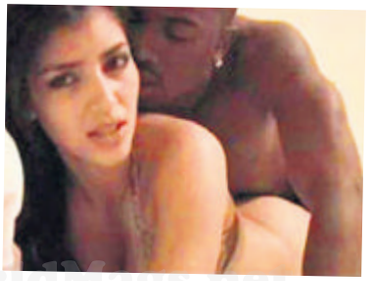
The sophisticated "worm" has already infected 250,000 computers worldwide, proving no-one is safe – especially not the rich and famous.

And with £16million already extorted from victims, experts reckon "it's only a matter of time" before intimate photos and home movies starring well-known celebs are stolen and made public.

One key source close to Evgeniy Mikhailovich Bogachev – the man identified by the FBI as the brains behind the bug – says celebs are in his sights.

## Stars 'terrified' by Gameover Zeus virus threat

NOTHING LEFT TO HIDE: Paris and Kim *(below)* both had sex tapes exposed on the internet



VICTIM: Tulisa suffered sex tape hell

DEVIOUS WORM: Celebrities are under threat from sinister hacking mastermind Bogachev

### Pay-dirt

Our mole revealed: "The programmes were originally designed to steal financial details.

"But hackers quickly realised they could also be used to access photo and video albums. It's only a matter of time before they get lucky and gain entry to a celebrity's account.

"And if there's anything in there of a sexual nature, it'll be pay-dirt for the likes of Bogachev.

"They can either extort the famous person for money, or simply sell the X-rated material to the highest bidder – or both!"

It wouldn't be the first time a famous female has suffered from a leaked personal nookie vid.

Socialite Paris Hilton had one aired in 2004, Kim Kardashian was left red-faced in 2007, and Tulisa Contostavlos issued a public apology after hers got unveiled in 2012.

Security expert Marcel Mascunan, Marketing Manager for Kroll Ontrack Asia-Pacific, said: "There's really no alternative to getting files back after the infection except paying the ransom.

"It's a really nasty piece of malware."

MILD AND BITTER: Cable denies plotting against Clegg

# DID PLOTTER VINCE PLAN 'CLEGG'S A BELLEND' BLACKBOARD JIBE?

CRYING SHAME: Clegg has shown his upset at recent results under his leadership

## LibDem leader's new start wrecked by chalk insult

TROUBLE BREWING: Clegg pulls a pint, 'pal' Cable pulls the other one

**THE Lib Dems were lunged into yet more leadership speculation after the words "NICK CLEGG IS A BELLEND" appeared on a pub's blackboard during a photo opportunity.**

By SIMON DEAN
simon@sundaysport.co.uk

Pressmen were invited to the Queen's Head pub in London where Clegg and Business Secretary Vince Cable announced new plans for the licensed trade.

The shoot was clearly designed to rubbish rumours of a rift between Cable and Clegg following last month's disastrous local and Euro election results.

But sharp-eyed hacks spotted the anti-Clegg jibe on the blackboard menu and suggested mischief-makers in the Cable camp may have been responsible.

Last night a LibDem source said: "Nick thought the photo-op had gone well and it was finally a bit of good news after the trauma of the last few weeks. But then he saw 'Nick Clegg is a bellend' on the blackboard and he started crying again."

There were claims that Dr Cable had been part of a botched coup to trigger a party leadership contest.

Liberal peer Lord Oakeshott leaked a poll which showed Mr Clegg could lose his Sheffield Hallam seat at the General Election.

Cable denied encouraging the leak and condemned his friend Lord Oakeshott.

## Life is pants for TV house hunk George

TELLY property show host George Clarke has told how lust-addled women keep chucking their BRAS at him.

The Sunderland-born architect, who fronts Channel 4's *The Restoration Man*, has also hinted they lob something even RUDER, but refused to go into details.

The 40-year-old confessed: "I have women throwing things at me. I had a bra hurled at me on stage at the Ideal Home Show last year.

"And I get people obsessed by certain things... I'll let you use your imagination."

The screen hunk – who presents new C4 series *Amazing Spaces* – also reckons he looks like Hollywood actor Gerard Butler.

He said: "I was at an airport in Jordan and this guy came up to me and kept insisting I was Gerard Butler – even though I kept saying I wasn't."

## Book thrown at man for veg sex act in library

PERVERT Fredrick Tennyson Davis was arrested committing "an indecent act" in a library while holding a cucumber in one hand – and his WILLY in the other.

Police say the incident happened in April, but Davis got away at the time.

But last week, when Davis, 49, allegedly showed up again with another cucumber, someone at the library quickly called the cops.

When asked if Davis threatened anyone at the Agincourt Library in Toronto, Constable David Hopkinson replied: "I don't think he had any free hands to make any threat."

Davis is charged with one indecent act count and two counts of failure to comply with probation.

# LAD SHAT IN TEACHERS' KETTLE TO DODGE EXAMS

LITTLE SHIT: It's believed Mason was not ready to sit his Film Studies examination

SUNDAY Sport EXCLUSIVE

## School forced to close for health & safety reasons

By BARNEY SAMUELS
news@sundaysport.co.uk

**EXAMS were thrown into chaos when a school had to be evacuated – after a pupil PLOPPED in the teachers' tea break kettle.**

Mason Prendergast, 16, loosed his youthful bowels into the kettle after sneaking into the staff room before classes.

The workshy father-of-two's vile act was discovered when the head of languages went to make a cup of camomile for her nerves and unwittingly heated Prendergast's stools to boiling point.

A "Level 5 Contamination Emergency" was declared at the school – which cannot be named for legal reasons – and the site was evacuated for the rest of the day while a council team cleaned up.

Three exams were cancelled and will have to be rescheduled after discussions with the exam board.

Prendergast was identified as the culprit when he boasted of his wickedness on social media.

It's believed the lad pulled the sick stunt as he was worried he was not adequately prepared for his GCSE film studies exams. A spokesman for the school, in Crewe, Cheshire, refused to confirm what action would be taken against him but said there had been a "proportionate response to the incident".

Mum Whitney Garner, 29, rasped: "It's not our Mason's fault. He's got that LAPD and the teachers pick on him but the doctors says he can't have any more of that rin-tin-tin because he sells it to junkies on the rec.

"It's not fair. I'm off down that social first thing Monday morning because me nana says I can get compo as she saw it on *Heir Hunters*."

BOILING MAD: Council had to clean up

# DEANO ON SUNDAY

**JUSTIN Bieber has faced a storm of outrage because he used the N-word five years ago.**

**My grasp of mathematics is not great but I've worked out that Bieber was 15 years old at the time.**

**Would any of us like to be reminded of the nonsense we came out with when we were 15?**

**There have been many days where I've hated being reminded what I said the night before.**

**It's a bit unfair to have a go at Bieber for things he said as a daft teenager.**

**Especially when there is so much to attack the daft c**t for now that he's all grown up.**

**ON Wednesday, the Queen announced legislation to help 1.9 million families with childcare bills by providing state help worth up to £2,000 a year per child.**

**The £750m-a-year scheme applies to parents in work.**

**All jolly good, I'm sure everyone agrees – until you look at this as a subsidy to big business.**

**With the parish picking up the childcare bills, the pressure's off their wages bills. The more the State picks up, the less workers will press for higher wages.**

**Lower wages equals higher profits for the bosses.**

**Well-heeled feminists bang on about women's careers and the "right" to childcare.**

**As usual, they are talking selfish bollocks.**

# Call time on public sector scroungers

**PLENTY of papers fill a lot of space having a pop at "benefits scroungers".**

And when we read about the likes of 32-year-old mother-of-NINE Cheryl Prudham enjoying a £7,000 holiday in Menorca on the parish, we're right to feel a bit vexed.

It comes hard on the heels of Benefits Street ratbag "White Dee" and her jaunt to Majorca.

But it's not just those at the – how's a nice way to say this? – 'lower end' of the social scale who are sucking like hungry pitbull puppies on the withered teat of the State.

There are those who spend taxpayers' money – OUR money – just as recklessly.

And these are people who should know better.

Take the management of the shiny new Southmead Hospital in Bristol.

A cool £430million has been spent on the hospital and of this a staggering £250,000 has been spunked…on a CLOCK!

Worse, it's impossible to tell the time on the thing.

North Bristol NHS Trust chief executive Andrea Young defended the spend.

She said: "The light sculpture, which also doubles up as a binary clock to enable people to tell the time in a fun way, fills the large space of the three atrium area of the Brunel building.

"We think it is stunning and are delighted to have a work by an artist with an international reputation inside our new hospital.

"The installation can be seen by both outpatients and visitors passing through the atrium areas as well as patients in the rooms overlooking them, providing a pleasant distraction."

How the buggering f*** does having "work by an artist with an international reputation" help with a hospital's job which is, er, getting sick people better.

But the mindset of these public sector spendthrifts is clearly "What the f*** – it's not our money!"

And that is exactly the same mindset as Cheryl Prudham and White Dee.

Cheryl herself said: "I don't feel bad about using taxpayers' money."

Those words could have come straight from the mouth of an NHS manager.

**ACCORDING to reports, Susanna Reid "fears for her career" if the failing *Good Morning Britain* is axed.**

**That's rich!**

**Miss Reid was taken on, for a pretty penny by all accounts, in the hope that she'd be a massive draw for the new show.**

**She's failed but somehow is the one who feels aggrieved – not the ITV bosses who've been shovelling loot her way.**

**theguardian**

**THE *News of the World* did NOT erase any voicemails from murder victim Milly Dowler's phone.**

**That's official. A judge said it in court last week.**

**It was *The Guardian* that initially reported they had, and at the time we all thought "They've gone too far now."**

**It was that gut reaction that directly led to the closure of the *News of the World* and the Leveson Inquiry – the biggest assault on Press freedom in modern times.**

**Whatever anyone tells you, the whole Press witch-hunt was based on a bitter, twisted newspaper with an anti-Rupert Murdoch agenda being wrong.**

**And, like the smug, leftie c**ts they are, the bastards who work for *The Guardian* have refused to apologise.**

# MY LESBO SEX AT 35,000FT WITH RANDY TROLLEY DOLLY

## Glamour babe Jenny's outrageous holiday confession

SUNDAY Sport Models talk sex

**JET-SETTING glamour girl Jenny Laird got more than just extra leg room on a recent flight – enjoying a Mile High romp with a female trolley dolly!**

By SOPHIE FLINT
news@sundaysport.co.uk

The astonishing bunk-up at 35,000ft came as Jenny returned to the UK following a trip to Dubai.

And while she's refusing to name the airline she flew with, for fear her sexy gal pal will get the sack, Jenny says their fumble was "five minutes of pure heaven".

Busty bisexual Jenny, 25, explained: "I was flying first class at the dead of night and my cabin was pretty much empty.

"There were a couple of businessmen snoozing nearby but I couldn't sleep, so just stayed awake watching films and drinking champagne.

### Scorcher

"This gorgeous stewardess kept catching my eye. She was blonde and even though she was wearing a uniform, I could tell she had really big boobs.

"When she came to refill my glass we had a little flirt. Over the course of an hour we kept talking until I knew for certain we both fancied each other."

Jenny visited the loo and while walking past the stewardess' seat, gave the attendant an outrageous "come and get me" look and then beckoned her to follow.

And to 32E Jenny's amazement, the on-duty scorcher soon sidled up behind her with a "guilty grin on her face".

Brummie Jenny added: "It was SO passionate, and all over quite quickly – five minutes top.

"We were really going for it with the kissing, frantically trying to undress each other. Just as I suspected, her boobs were huge.

"She'd had implants too, and her nipples were really erect. I licked and sucked them while she tried hard not to moan.

"By this point my knickers were around my ankles and her skirt was hitched up around her waist.

"We used our fingers on each other and we were both so wet we came within minutes.

"When it was all over there was an awful silence where we were both trying not to pant.

"But when we slipped out of the cubicle no-one stirred, so I'm confident our little romp went unnoticed."

Amazingly, it's not Jenny's first plane-based bonk, having done it with an ex-boyfriend last year.

But she added: "This is the first time I've joined the Mile High Lesbian Club – so that's something!

"As I left the plane many hours later we both gave each other a little smile. I think she enjoyed it as much as I did, and it makes me wonder how many other women she's slept with in the air."

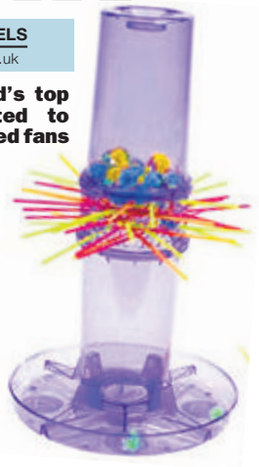
# HOLLYWOOD ROCKED BY 'TURKISH KER-PLUNK' SEX ACT CRAZE

By BARNEY SAMUELS
news@sundaysport.co.uk

**SOME of Hollywood's top names are reported to have become devoted fans of a vile new sex act nicknamed "Turkish Ker-Plunk".**

The revolting practice – too gut-churning to describe in a family newspaper – was said to have been brought to Tinseltown by a "leading actor with unrivalled connections".

Despite obvious health risks, Turkish Ker-Plunk has become the trendiest kink in LA, overtaking so-called "tarmacking" and even the notorious "Belgian Biscuit".



## Party

One Hollywood veteran leading lady said: "When I first had this described to me, I thought it was some sort of joke – a made-up name for a sex act that doesn't really exist like 'orange pressing' or 'toasted mouse hole'.

"But then I saw a group of people actually doing it at a party out Bel-Air way.

"My stomach turned. I cannot believe anyone would want to do that sort of thing voluntarily.

"I can see where the Ker-Plunk bit comes from – on account of the marbles. But Turkish? Does it look like a kebab?

"All I know is that it is really sick and anyone involved in it should be kicked out into the God-damned yard with the dogs."

## WORLD NEWS

### SPAIN

A PRIEST in the southern city of Jaén shocked congregation members during communion when he said wife-beating wasn't as good as it used to be.

During his sermon the priest lamented: "Thirty years ago, a man would maybe get drunk and when he got home beat up his wife, but he wouldn't kill her like they do nowadays."

### RUSSIA

**A MASSIVE brawl between migrant construction workers went viral with footage showing dozens of men violently lashing out at each other with hammers as onlookers egg them on.**

**The fight – described in a YouTube video as a "battle between Tajiks and Uzbeks" – occurred outside the Moscow City Business Center.**

### CUBA

*AIRPORT officials in Camaguey arrested a passenger attempting to leave the island with scores of native birds hidden inside his trousers.*

*The detained man, described only as a "resident of the United States" tried to smuggle 66 Cuban Grassquits inside his "low slung" pants.*

### SWEDEN

A CONTROVERSIAL painting that depicts a smiling vagina on a staircase has been allowed to remain at a school but will now be obscured by a wall.

The artwork by Carolina Falkholt sparked a fierce debate over censorship following the news that the mural would be on display at a junior high school in Nyköping.

### SWITZERLAND

**PROSECUTORS in Lucerne said that a married couple aged 70 and 73 had admitted stealing money on multiple occasions from local churches to get an adrenalin rush.**

**The couple, who prosecutors said were well-heeled, had never had a brush with the law before.**

### CAMBODIA

*SEVEN people, four of them children, died trying to retrieve 45p and a cigarette lighter dropped into a 25ft-deep well.*

*Lack of oxygen at the bottom of the well killed an 11-year-old, and six others trying to save him in Siem Reap Province.*

# BRITAIN'S GRUMPIEST COLUMNIST

## Les Miserable

**IT'S been a great week for fans of one of Britain's most famous houses – that's the *Big Brother* house of course, which opened its doors again on Thursday evening.**

**While the launch show was on, I spent my time doing something more constructive instead – taking my telly apart and physically disabling the Channel 5 button so that I don't see any of this tripe, even accidentally.**

**From what I've seen in the papers, the house is full of the usual bunch of arrogant, thick-as-shit, borderline-psychopathic bellends, who should be drugged and experimented on instead of being encouraged.**

**If the producers are looking for some fresh ideas for the tasks that the housemates have to carry out, I'd suggest a race through the drains that run under the house or a contest to see if any of the housemates are capable of climbing up their own arseholes.**

THERE's still a few days until the World Cup kicks off but you can get in the mood with Soccer Aid, which is on telly tonight.

Seeing the likes of Olly Murs (*right*), Paddy McGuinness, Jack Whitehall, Mark Owen and Jamie Theakston playing at Old Trafford should get you right in the mood for the start of the big one in Brazil on Thursday – if you completely hate footie, that is.

I'm not sure what's worse – the line up of dickheads or their use of the dreaded word 'soccer'. I haven't looked at the weather forecast but what's the chances of a tsunami wiping out Salford later this evening?

**IT was revealed this week that dead passengers on British Airways flights used to be given sunglasses, a vodka and tonic and a copy of the Daily Mail to disguise them from other passengers.**

**Must be the kind of thing that happens a lot then – I've seen people who match that description on loads of planes over the years, and they always looked dead to me.**

LIZ Hurley's six-bedroom mansion is on the market and could be yours for a cool £6million.

Or, for the price of your petrol, you could just pretend to be an interested buyer, go along for a viewing and have a sniff of her upholstery when the estate agent isn't looking.

# Why is Rachel Stevens the SEXIEST woman of all time?

## HERE'S A COUPLE OF POINTERS!

TOP OF THE POP BABE: Rachel's nips look heavenly

IN THE CLUB: With S Club 7

By NEIL GOODWIN
neil@sundaysport.co.uk

**THESE are the stonking boobs that sent fans into S Club HEAVEN!**

So there's little wonder why Rachel Stevens was this week crowned The Sexiest Woman of All Time by top men's mag FHM.

The brunette minx, who is now 36, shot to fame in 1999 with BBC telly show *Miami 7*, before going on to launch an assault on the charts with the band *S Club 7*.

### Talents

She went solo in 2004, scoring a smash hit with single *Sweet Dreams My LA Ex*, and even starred in top comedy flick *Deuce Bigalow: European Gigolo*.

But it wasn't her acting skills or her vocal talents that had male fans hooked – it was her slinky curves, as seen in this nippletastic pic from 2004.

*Strictly Come Dancing* beauty Rachel now says she feels more smoking-hot than *ever* before.

She said: "You know yourself when you get older. You know your body more. It's sexy in a different way, I think.

"It's like a wise sexy. You know you've lived a bit."

She added: "I like being sexy in a more sensual way, in a womanly way, instead of all in-your-face sexy way, which works for some."

SWEET DREAMS: Rachel's voted The Sexiest Woman of All Time in FHM

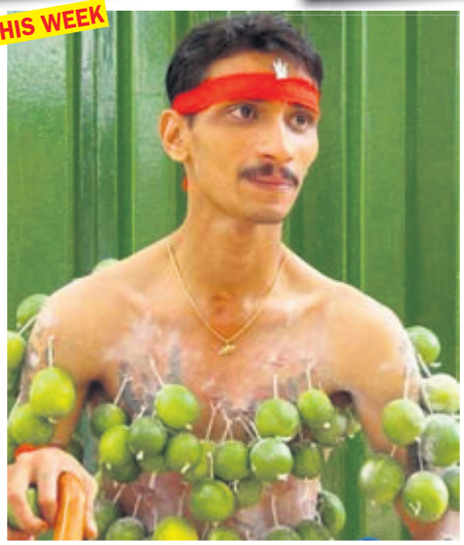
## CAPTION CONTEST

## WIN £50

THIS WEEK



YOU really had the bit between your TEETH for last week's Caption Contest, folks.

In fact, your efforts were so jaw-droppingly good, they left us GOB-SMACKED!

But only one can be the BREAST and this week it's **S Dennis**, from Plymouth, who wrote: "Fangs for the mammaries."

Congratulations, Mr Dennis, a cheque for £50 will be with you in the next few weeks, but lots of others made us chuckle, too.

**Gerald Hinson** from Colchester: "Is this what they class as oral in China?"

**Andy Berry**, Welton: "Who needs an anesthetic when you get a service like this?"

**Kev Foster**, Wigton: "It looks like I'm not the only one who's had some work done on the NHS."

**Alex Dutton**, Rhyl: "After this, they've promised to open wide so I can give them both a good filling."

**Marie Gallen** from Worcester: "You don't even get pillows with the NHS."

**Steve Sheppard**, Doncaster: "This ain't what I meant when I said I wanted double penetration."

**Tommy Coleman**, Newton-le-Willows: "How the f*** did you get a seven-inch sex toy stuck so far down your throat?"

Now it's YOUR turn to see if you can win a cool £50 with your wit.

Just come up with a caption for the pic on the left, fill in the coupon and send it to our brand new HQ: Caption Contest, C/O Sunday Sport, Floor 3, Maclaren House, Lancastrian Office Centre, Talbot Road, Old Trafford, Manchester, M32 0FP.

Entries must be with us by Friday.

Best of luck, folks!

## EMILY STAPLETON
AGE: 19

FAVE FOOD: Thai
FAVE DRINK: Malibu and Coke
FAVE FILM: *Pretty Woman*
FAVE ACTOR: Orlando Bloom
MOST FANCIED CELEB: Usher

## RACHEL JOHNSON
AGE: 21
FROM: Hitchin, Herts
STUDYING: Psychology
FAVE FOOD: Chinese
FAVE DRINK: Vodka and lemonade
FAVE FILM: *Inglorious Basterds*
FAVE ACTOR: Alec Baldwin
MOST FANCIED CELEB: Gerard Butler

## FIRST TIME
**EMILY:** My first time was when I was on holiday. I met this guy who was really nice and we got to know each other over a few days.

One night we were both a bit drunk and one thing led to another. I was about 16, I think. It was quite good and not too painful!

**RACHEL:** Mine was really romantic. It was with my first boyfriend from school when I was 16.

He made a massive effort and lit candles and gave me a massage beforehand.

The sex was good too. It wasn't as scary as I thought it would be...very nice, actually!

## OH NO!
**RACHEL:** My most cringeful moment was when I was in bed with a guy and went to change position and accidentally kicked him in the balls.

He was yelping out and writhing around in pain and it totally killed the moment.

**EMILY:** Mine was when I was having sex in a graveyard after w'd been at a party – near enough everyone who had been at the party walked past and saw us at it.

## CAUGHT OUT
**EMILY:** Have you ever been caught shagging?

**RACHEL:** I had this awful experience when my boyfriend and me were in bed together.

His dad walked in the room and my boyfriend was on top of me.

He jumped off and grabbed his clothes, leaving me laying there spread-eagled. I was dying of shame.

The worst part was I couldn't even run off afterwards because I'd gone round for dinner, so we all had to sit round the table later on looking very sheepish.

**EMILY:** That's pretty grim. My fella's dad caught me, too.

He came in when we were mid-shag to ask if we wanted a cup of tea.

I jumped out of bed and hid in the bathroom until his parents left the house about an hour later.

I never saw the lad again!

## WORST SHAG
**RACHEL:** My worst ever shag was with a lad who was the friend of one of my friends.

I had fancied him for ages and I'd asked my mate to fix us up with a date.

We went on a few dates and were getting along OK.

But then, when we at last got down to doing the deed, I took his trousers off – and he had the tiniest willy I have *ever* seen.

I went through with it that night but a few days afterwards I had to dump him. It would never have worked out, I would always be wanting more cock, to be cruelly blunt about it.

**EMILY:** I was seeing this lad once who could never get it up.

It was a total nightmare every time we got into a situation where we were ready for a night of passion.

After a few times of this happening I got a really bad complex and seriously thought there was something wrong with me.

It turned out he had a massive drug problem and that's why he couldn't get a hard-on. He got the heave-ho.

## GIRLY SNOGS
**EMILY:** Have you ever kissed a girl?

**RACHEL:** Yes, it was my birthday last weekend and I think I kissed every girl at the party. I had a great time!

**EMILY:** I've kissed a girl but I don't think I'd go any further. Unless it was Eva Green!

**RACHEL:** Yes, I've got a bit of a thing for Ellen Blunt.

## WILDEST PLACE
**RACHEL:** I once did it in a haybarn on top of a bale of hay. It was good fun but a bit prickly.

I was seeing a guy who lived out in the sticks and we went for a walk in the fields one day then ended up doing it in a haybarn.

**EMILY:** I think my most outrageous romp was outside my apartment on holiday.

It wasn't a balcony or anything, we just did it outside because we were frisky and couldn't wait to get back indoors!

## SEX TOYS
**RACHEL:** I think sex toys are great and I'm always looking to add new things to my collection!

They're good fun and it's nice to spice things up every now and then. I've got a vibrator – just a plain one, nothing special.

I've also tried chocolate body paint, handcuffs and blindfolds, which are all good fun.

**EMILY:** I've used one of those vibrating cock rings that you put on a guy when you have sex. They're good because they stimulate the guy *and* the girl.

## DRESSING UP
**RACHEL:** Have you ever dressed up in any sexy outfits? I pinched my friend's airhostess uniform and used that once.

Guys have a thing for air hostesses. I think it's because they always seem very prim. I've also worn a waitress's outfit and stockings.

**EMILY:** I love nice underwear and I'm always spending money on sexy undies and corsets.

I love the silky feel of it, and when I look at myself in the mirror when I've got it on I could shag myself, I feel that sexy. I think men feel your sex energy.

## WILLY SIZE
**EMILY:** I think a guy has got to have a decent sized willy and he should know what to do with it.

**RACHEL:** I agree but I think technique is as important as size.

Having a big one and not knowing what to do with it isn't good. I'd rather a man had a smaller one and was considerate and made sure I was happy.

## BLOWJOBS
**EMILY:** I don't mind giving blowjobs but I only tend to do it with a guy I really care about, I don't want to suck on any old willy.

It's about the most intimate thing you can do, so you really want to know you'd like to give the fella pleasure before you get down to it.

**RACHEL:** I'm always keen to please a guy so I like giving them. What I'd really like to be able to do is that deep throat thing but I've never quite cracked it, I always gag!

## FANTASIES
**RACHEL:** My fantasy is to have a threesome with a guy and a girl. I did it once with two guys and that was good fun.

I liked being watched, that really did it for me.

But it was quite overwhelming, having two willies to play around with!

**EMILY:** I think my fantasy would be to join the Mile High Club. It would have to be in First Class though, not a quickie in the loos!

## BUM FUN
**EMILY:** I've never tried it up the bum but I think I would if I was with someone I really cared about and they wanted to do it.

**RACHEL:** Yes, I'd give it a go. I've had it slip up there by accident once and that felt a bit weird, but it wasn't painful or anything. It could be really good.

# FIRST TIME TOPLESS... MELISSA HARRIS

By JUSTIN DUNN justin@sundaysport.co.uk

**FEAST your eyes on the delicious delights of newcomer Melissa Harris.**

It's hard to believe but these images are taken from the 25-year-old's first EVER topless photoshoot!

The 34DD blonde, from Sunderland, said: "As you can imagine I was really nervous before I started. My nerves were all over the place.

"But the photographer and his assistant were absolutely lovely and completely put me ease by allowing me to watch another girl's modelling session.

"The most nerve-wracking thing was showing off my body. But once I'd done some topless pictures in my knickers, I felt absolutely fine.

"The next thing you know I'm taking my knickers off, too. And you know what? I want to do it all over again!"

# ROSIE'S A CUT ABOVE THE REST

Rosie Lee

Age 25, 30G-25-32, from Hove

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

**SIZZLING Rosie Lee has the TRIM figure to reach the top – having quit her job as a hairdresser to become a BOOBS-OUT glamour girl!**

The 24-year-old beauty used to snip barnets in her home town of Hove, East Sussex, before ditching her scissors – and her bra – to follow her dreams of posing nude.

Rosie, who boasts whopping 30G sweater-stretchers, said: "I am always whipping them out, even when I used to work as a hairdresser.

## Assets

"I'd get clients commenting on how big my boobs are and asking if they were natural. Sometimes I'd get them out in the salon to show them in all their naked glory.

"I decided to ditch that, though, and go modelling full time.

"I've got the right assets for it! I have massive boobs and a cheeky bottom, so I might as well do something with them."

## Dear Kyla,

I'VE read how couples indulge in all sorts of exotic sex.

Although I've been married for 15 years the best I've managed with the wife was taking her doggy-style on the balcony of our apartment in Corfu.

Thing is, I've always fancied trying out a cucumber on her and was inspired when I heard a radio show about barbecues and sweetcorn.

So the other night after some wine, while the barbie warmed up, I produced a corncob as the missus was bent over the sink and rubbed it over her bum.

I then blurted out what I wanted to do with it and was amazed when she agreed. I soon had her spreadeagled on the floor, with the cob up her chuff.

She declared it better than my knob due to its extra length, and knobbly nature. Now I'm worried I won't be able to satisfy her again.

What can I do?

*TD, Essex*

## Kyla says...

**KEEP buying the corn, she'll soon help you empty your cobs!**

## Dear Kyla,

THERE'S a bird in my local pub who is nicknamed Hoover, because she's so good at sucking cock.

Apparently she once sucked-off six blokes in one session after hours.

A couple of weeks ago, I had a drink with her and she invited me back to her place.

She stripped off to reveal her 36DDs, saying: "Do you want me to show you why I'm known as Hoover?"

I just nodded, and then she took me to blowjob heaven.

It was fantastic as she took me to the back of her throat and I very quickly emptied the contents of my ballbag down it.

Now, I know this bird is the local bike, but she's fit.

I've seen her a few times since and shagged her, and the problem is that I really like her now.

My mates keep taking the piss out of me, and I know she's shagging a couple of other blokes as well as me at the moment.

But what can I say, I really like her.

What should I do?

*PF, Sussex*

## Kyla says...

**I DON'T think this girl wants to settle down, do you? Just enjoy the sex.**

## Dear Kyla,

I AM 20 and a handyman so I didn't mind when my mum asked me to go round to her friend's house to fix a loose curtain rail.

Her pal is divorced, in her late 30s and is quite good-looking. At her house I was on a rickety pair of steps to fix the rail.

She said to be careful and had her hands on my upper leg to steady me. I was only wearing shorts at the time.

Afterwards we sat and talked on the sofa with a glass of wine.

Slowly her hands dipped into my shorts to expose my whopping stiff prick. She took off her knickers, laid on the carpet, spread her legs and told me to shag her.

I got on top of her and f***ed her. She demanded I ejaculate on her tits and then sucked me dry. She now wants me to move in, but my mum would kill me.

What should I do?

*JK, Yorkshire*

## Kyla says...

**YOU'RE an adult — you can do what you want. And if I were you, I'd carry on doing it!**

# AGONY WITH Kyla Cole

Age 26, 36DD-24-34, from Lambeth

# Babes want to keep keep-fit f**k vid hid

## Dear Kyla,

**MY girlfriend signed up to one of those keep-fit and self-defence courses with a couple of her pals.**

The other night the three of them came back from a session and asked me to help them practice some of the moves, and they set up a video so they could see how they are doing later.

I'm no match for these superfit girls and time and time again I ended up helpless on the carpet.

But it was fun having three babes in leotards taking turns to sit on me with their strapping thighs straddling my chest.

The powerful scent of their sweaty bodies and their lady bits in such close proximity began to get me quite aroused.

Then as I wrestled with one of them she put her hand on my groin as if by accident, and cried out in mock alarm.

I tried to apologise but the brazen minx just looked at my girlfriend and said: "Ah, I think this deserves a closer look."

She whipped out my throbbing nine-incher and took it between her lips and teased my helmet with little licks and nibbles before plunging it deep to the back of her throat.

She gave me a great gobble for several minutes before my girl decided she didn't want to miss out on the action and so she stripped off and pushed her pal aside to suck me off herself.

That was the cue for the other two to peel off their leotards as well and they began kissing and fondling each other on the floor next to us.

It wasn't long before all four of us were one writhing mass of naked flesh sucking and f***ing each other in every position imaginable.

Now I'm keen to show the vid to my mates to prove what a stud I am. But the girls won't hear of it, How can I persuade them?

*BK, via e-mail*

## Kyla says...

**DON'T be so selfish. It might make you look like a superstud but it'll make them look like raging nymphos.**

## Dear Kyla,

I HAVE just discovered that my wife is having an affair – with another woman – and is planning to leave me.

After 10 years together I thought that everything was OK with us.

But now I'm beginning to think that it's all been a sham and she has always been a lezza. The funny thing is that our sex life has always been brilliant, and we've tried lots of "toys", gadgets and different positions during our years together.

One hectic session occurred during a memorable holiday weekend in Devon.

We packed a selection of dildos and vibrators and went straight to our hotel room to try them out.

We started off with mutual masturbation, oral sex in the 69 position, doggy-style nookie and even a bit of anal.

After we had both climaxed several times we dressed and went out for dinner. But we were soon so horny we couldn't finish our meal and went back to our room, stripped off and jumped in the sack again.

This time I pleasured her with a 10-inch dildo and she used a vibrator on me (I love the sensual buzzing feeling in my bottom).

After a while we were so turned on that I just climbed on her and bonked her brains out for 25 minutes before I collapsed on top of her and we lay in a hot sweaty heap before falling asleep.

We woke at around 2am and had another shag.

This great routine continued until we left for home on Sunday afternoon.

I have tried talking to my wife about her lesbian secret, but she doesn't want to know. What can I do?

*RM, Glasgow*

## Kyla says...

**DON'T give up on her because her lesbo affair might just be an infatuation.**

## Dear Kyla,

MY problem is, and has always been, that I have a frightfully large member.

Doctors have told me that it is far and away the biggest they've ever seen – something of a medical phenomenon.

All very well, but unfortunately every woman I've been with has cried off in shock and I'm still a virgin.

How can I get this monstrous tool of mine wet. I'm 56, by the way.

*HP, East Sussex*

## Kyla says...

**USE a dating site and be upfront about it...you won't wait long.**

## Dear Kyla,

I HAD a huge row with my neighbour's wife over a parking space during which I called her a "slag".

I saw her a few days later and, feeling guilty, I apologised and asked her in for a brew.

She must be pushing 50 but before I realised what I was doing I started to compliment her on her figure, and she responded by saying she thought I was a handsome guy. Then suddenly we were kissing.

She said she was going to suck me off and gave me a blowjob before she wriggled out of her panties and bent over the kitchen table.

As I rammed into her sopping minge we heard her hubby's car pull up outside and she hurriedly left through the back door.

Now she wants more cock and is threatening to tell her hubby if I don't comply. Help!

*WL, north London*

## Kyla says...

**WE all like to take pride in our kitchens and love to cram the most important room in the house with new gadgets and lovely surfaces.**

**We may want extravagances like Estonian pine cupboards and Assyrian marble worktops, but this comes at a high price.**

**Don't be tempted to skimp, though. A cash-in-hand cowboy tradesman may promise to do the job on the cheap but he will probably steal your balsamic vinegar – and shit in the Rice Krispies!**

# STUDENT BANNED OVER COCK 'N' BALLS PRANK

**A STUDENT has been banned from his graduation ceremony after etching a giant COCK 'N' BALLS on the college football field.**

By BRAD CHADWICK
news@sundaysport.co.uk

The unnamed high school pupil used weedkiller to draw the 200-foot phallus and nuts in the turf.

Officials first noticed the massive member on Wednesday while setting up for graduation, which was scheduled to take place on the field.

Principal Toni-Ann Noyes penetrated into the core of the mystery to find out that the cocky culprit used weedkiller from the groundsman's shed to "draw" the genitals in the grass.

"I was disappointed that someone would do this," she told newsmen.

For the graduation ceremony at Nature Coast Technical High School in Brooksville, Florida, workers spray-painted over the phallus with green paint and also painted "2014" in an attempt to cover it up.

The student's family will be liable for any permanent damage to the field.

# SUMMER OR BUST FOR JOEY!

By JUSTIN DUNN justin@sundaysport.co.uk

**JAW-DROPPING Joey Fisher is obsessed with checking out other girls who have big boobs.**

Luckily for her, it's rare that she claps eyes on anyone with a rack that tops her own 34H beauties!

Joey, 20, from Cardiff, said: "Whenever I go away on holiday I like to check out the hot girls on the beach. I like to admire the female form – it's a very pleasant thing to do.

"Having a holiday is great because you're surrounded by men and women wearing next to nothing.

"That means I can spend two weeks almost permanently turned on, especially when you see bodies glistening with oil.

"The sunshine makes everyone randy. It's a mixture of the lack of clothes and the energy you get from the sunshine.

"Hopefully we'll have a scorching summer, because that way you can just walk to your local park and you'll see all the hotties sunbathing.

"I certainly will be – so keep a look out!"

BLACK DAY: Lancaster *(inset)* looks on as Smith scores the crucial try

# STU BLEW IT, ROARS LANC

**STUART LANCASTER voiced his frustration after England opened their series against New Zealand with an agonising 20-15 defeat at Eden Park.**

## England coach rues missed chances in NZ

By JAKE KING

Only a 78th-minute try from Conrad Smith gave the All Blacks a 15th successive Test victory and protected their 20-year triumphant run at their Auckland stronghold.

Lancaster accepted that England contributed to their own downfall with unforced errors and a lack of composure in the closing stages of a match that was there for the taking.

"There's frustration at having not got across the line despite having done so much good work to achieve a draw or potentially even a win," the head coach said.

"We created lots of opportunities. We made line breaks, broke the gainline. Our set piece was good, but it's fine margins. The over-riding emotion in the changing room is frustration. What we must do as a coaching team is bottle that and turn it into a positive mindset.

"It definitely feels like we missed a chance. At 15-15 it's all about territory and how you manage and close out the game.

"We had opportunities to clear our line a bit, play in their half and put pressure on them.

"In tight games at 15-15 it's a drop goal or penalty that wins it. They got the penalty, tapped it and won it.

"We're desperately disappointed having fought so hard to be in the game for so long. It's an 80-minute game and credit to them for closing it out. It was a tremendous effort and it's tough to not come away with anything."

Much of a desperately tight match was a battle of the boot, with the outstanding Freddie Burns and Aaron Cruden exchanging penalties. It was not until the 71st minute that New Zealand were able to take the lead for the first time.

### Scruff

England threatened the line on several occasions and, despite being hamstrung by a lengthy injury list and the absence of their Premiership finalists, were the equal of the world champions.

The performance bodes well for the remainder of the series, which continues in Dunedin next Saturday and concludes in Hamilton seven days later.

Arguably the key moment of the game was Cruden's brave decision to spurn a shot at goal for a tap penalty that led to Smith's try.

"It was one of those games where we had to take the match by the scruff of the neck," said All Blacks head coach Steve Hansen.

"There were two teams going at it hammer and tongs and Cruden did something different and that changed the game. I thought 'good on you son'.

"Now I hope you'll see what we've known all along and that's what a good team England are."

CASTLEFORD turned the clock back 28 years in putting holders Wigan out of the Challenge Cup in an absorbing quarter-final at the DW Stadium.

The Tigers showed their sparkling Super League form is no fluke by pulling off a thoroughly-deserved triumph to inflict on Wigan their first home Challenge Cup defeat since 1986.

Castleford were also the victors that day on their way to lifting the trophy at Wembley for the last time.

The Tigers were clinging to a six-point lead when ex-Wigan prop Lee Jewitt burst through a tiring Warriors defence to score his first try for the club on only his third appearance three minutes from the end to seal a famous win.

Wigan coach Shaun Wane had accused the Yorkshiremen of "disrespect" in the build-up, but the Tigers had every right to feel confident after winning their last two matches against the Warriors and they were good value for the hat-trick.

### Threatening

Video ref Ben Thaler angered the travelling fans by disallowing Cas stand-off Luke Dorn's try on 28 minutes for a slight obstruction.

But Thaler gave the green light to James Clare's touchdown two minutes later.

Holders Wigan attempted to raise the pace of the game in the second half and they looked more threatening.

Winger Joe Burgess failed to take Liam Farrell's pass with the line beckoning and Sean O'Loughlin got over the line, only to have the ball knocked from his grasp.

Castleford were grateful to Oliver Holmes for a last-ditch tackle on George Williams.

The pressure finally told on 62 minutes when Farrell touched down for Wigan's 100th try of the season.

Cas winger Kirk Dixon went over for all-important try with 10 minutes left Jewitt finished the job, barging over from close range.

FINISHER: Lee Jewitt

# AUSSIE RULES

Australia wins the Derby in style with Joseph O'Brien

## O'Briens bag Derby

**AIDAN O'BRIEN became the first trainer in history to win three Derbies in a row with AUSTRALIA, ridden by son Joseph.**

The Irish maestro declared before the race that this was the best horse he'd ever trained — a massive statement from a man who's had some of the equine greats in his yard.

But 11/8 favourite Australia more than lived up to the hype, travelling smoothly and coming away to win with a bit left the in the tank.

Gutsy Kingston Hill was second, just over a length away, but he never looked like getting the better of the winner.

John Gosden's Romsdal outran his 20-1 price to finish third, another three and a quarter lengths away.

Winning rider O'Brien said: "I had a grand position and was going very easily coming down hill, nearly too easy.

"I got there a bit too soon, I was cantering all the way — I got there too soon but I had to stay going when I did.

"Horses don't come easier to ride than this fellow — he's the best I've ridden."

Aidan O'Brien said: "We're in a very privileged position to have the horses we have, so it's thanks to everybody. There are so many people involved just to get him to this position.

"Joseph had it in his mind where he wanted to be all the time, to keep it uncomplicated and safe and that is what he did — he gave him a beautiful ride.

"We've always thought he was very special. The way he travelled through the race he must be very special."

Varian said of Kingston Hill: "I'm really pleased. Andrea gave him a great ride and had him in a good position.

"He had every chance to win and we really served it up to him. He has run a great race without winning.

"We'll just have to see if we take him on again, Aidan may drop him back to 10 furlongs but I think the Irish Derby would suit our horse.

"I'm sure they'll meet again at some stage."

John Gosden saddled two, with Romsdal's third bettering that of much-fancied stablemate Western Hymn in sixth.

"Romsdal ran a great race, he looks like a St Leger type to me," said Gosden.

"Western Hymn met a bit of trouble. I think a more conventional track will suit him better."

**KINSLEY TUESDAY LIVE SKY SPORTS/SIS**

**A fantastic meeting live on Sky Sports and in bookmakers via SIS, we go on air from 19.30 but you can join me in the Sky broom cupboard from 19.00 via twitter handle @SkyGreyhounds — I'm there till 22.00 so get on there and chat dogs with me.**

**I won't sit on the fence and state that if any greyhound wins on the night without a recent look around write their name down because they are special. Kinsley for me is the toughest track in the country to run first time up.**

**Applying that logic Johnny Kwango (19.34) is a cracking bet, the only dog to have been around recently and it was an impressive trial to boot, ideal preparation should pay dividends.**

**The feature race is the Betfred Gymcrack worth £6,000 to the winner, I can't see anything other than a Pat Rosney victory, I fancy Newinn Yolo (21.19) and make the main danger his kennel mate Swift Hoffman but early pace though should win the day for Yolo.**

# LILLO'S RINGPIECE

## STEVE LILLIS' KNOCKOUT BOXING COLUMN

STILL FIGHTING: Horner

## Horner: We won't give up – no Bull

FORMULA ONE

**RED BULL team principal Christian Horner is adamant Mercedes CAN still be caught this year.**

**Between them, Mercedes drivers Lewis Hamilton and Nico Rosberg have produced five one-twos from the first six races.**

**But Horner is convinced a fifth world title is not beyond his team.**

**He said: "Just look at what we've achieved at Red Bull over the past four years, the quality of the team we have.**

**"Nobody is giving up, nobody is chucking in the towel.**

**"Yes, we've a mountain to climb, and take nothing away from Mercedes who have done an incredible job this year.**

**"But as we've seen in previous years – like in 2012 when we had a difficult start – we turned that situation around and got ourselves back into that championship.**

**"The task here is certainly bigger than that, but nobody is giving up.**

**"As we saw in the last race in Monaco, we've started to put them under a little bit of pressure."**

## Murray can be a Wimbo ace again

TENNIS

ANDY MURRAY is on track to do well at Wimbledon, despite his French Open thrashing by Rafael Nadal.

That's the view of Patrick Mouratoglou – who coaches Serena Williams – after watching Murray get embarrassed by the Spaniard on the clay of Roland Garros.

Murray won just 10 points on the Nadal serve in the entire match as he lost their semi-final 6-3 6-2 6-1.

But Mouratoglou reckons the Scot will have already erased the painful defeat from his memory.

He said: "Overall, I think it was a very positive Roland Garros for Murray because his game is back to a very good level – and he knows it.

"This match he has forgotten already for sure.

"He gained a lot of confidence through the tournament.

"He knows what he needs to improve – there were too many ups and downs – but he can do it."

UNDERDOG: Brian Rose will be cheered on by *(inset)* Ricky Hatton in his New York showdown

# Rose: Shrink got me back from the brink

**BRIAN ROSE almost quit boxing when a rival was left in a coma – but is now just six days from being on top of the world.**

And he says it took working with a shrink to get his head right before he could get back to his best.

The neat Blackpool boxer challenges unbeaten American Demetrius Andrade for the WBO light-middleweight crown at New York's Barclays Center on Saturday night.

Rose walked away from boxing in October 2009 after beating Jason Rushton, who collapsed after their fight and needed brain surgery before recovering.

When Rose returned seven months later he was still haunted by the memories of what happened and was brutally knocked out by Max Maxwell, suffering his only loss in 27 contests.

But 11 straight wins – including a British title success and revenge over Maxwell – has seen him soar to the mandatory position for Rushton's title.

Rose said: "He was in a coma for a week or so. It wasn't nice – it was the lowest point of my career. I actually quit for three or four months, then my trainer Bobby Rimmer convinced me to go to a psychologist.

"He said to me, 'Is it worth throwing away all those years of hard work because of one thing which wasn't my fault?'

"I thought I was okay, but got knocked out by Maxwell seven months later in a fight where I didn't throw any punches and only wanted to defend myself."

The meeting with shrink Emma James did the trick and Rose hasn't looked back.

"Step by step they've got my head around the fact that it wasn't my fault. It's boxing and in boxing, that can happen," he added. Rose and Rimmer have been in the Big Apple for a week preparing for the showdown in Brooklyn.

And, although he's a 5/1 outsider to defeat the American slickster, British great Rick Hatton is tipping Rose to cause an upset.

Rose, 29, has even prepared for biggest night of his career at the Denton gym Hatton used before so many of his greatest nights.

Rimmer, who worked Hatton's corner, now owns the gym and Hatton said: "He goes over there as an underdog and he'll be up against it a bit. But don't forget there was another young Mancunian called Ricky Hatton who was once up against it and he proved everyone wrong.

"Brian needs to go over there and believe in himself. If he does that, upsets can happen.

"Brian has the type of ability that, if he gets into Andrade quickly and starts well, there's no reason why he can't win."

## BEEFY RELISHING RING RETURN

**LIAM SMITH will end the most frustrating period of his career when he risks his British light-middleweight crown against Navid Mansouri next month.**

**"Beefy" has been sidelined since December, but returns at the Manchester Arena on July 26 when the card is topped by Dereck Chisora's heavyweight crunch against Tyson Fury.**

**The Scouser *(left)* needed surgery after impressively defeating Mark Thompson in December in his first title defence.**

**A victory over Yorkshireman Mansouri will take him within one win of keeping his Lonsdale belt for good. Unbeaten Smith said: "It has been hard watching from the outside and every show I've been to, my knuckles are itchy.**

**"It has been very hard for me because I would have had the British title outright by now.**

**"There's been two shows I'd have been on, so the injury is a sickener."**

## Wenger to rescue Cas

**ARSENAL want Real Madrid captain Iker Casillas to be their new No.1 goalkeeper.**

**The Spain star has just won the Champions League with Real – the only club he has ever played for.**

**But the 33-year-old only plays in European and cup games these days and is tired of life on the bench.**

**With Lukasz Fabianski having left the Emirates, boss Arsene Wenger knows he needs to bring in a quality shot-stopper.**

**Wojciech Szczesny is the current Gunners first choice, but he would be pushed on to the bench by Casillas's arrival.**

## Don't be so Dumm!

**PAUL DUMMETT says the death threats he got from Uruguay fans for trying to help England at the World Cup by injuring Luis Suarez are crazy – because he's not even English!**

**The Newcastle defender got shedloads of abuse online from South America after his lunge on Liverpool's Suarez on the final day of the season left the Uruguayan needing surgery.**

**But Dummett said: "The daft thing is I'm Welsh, so why would I be helping England at the World Cup?**

**"It's a lot to take but fans say things and you have to learn to ignore it."**

## Nas sticks with City

**SAMIR NASRI is set to sign a new contract with Man City as they keep building for the future.**

**Nasri has been offered a five-year deal, with City hopeful he'll put pen to paper in the next few weeks.**

**The former Arsenal player has turned his career around at the Etihad following a bust-up with former boss Roberto Mancini.**

**Nasri, 26, was a key player as City won the Premier League under Manuel Pellegrini.**

**Joe Hart is also expected to sign a new deal, along with Edin Dzeko and Aleksandar Kolarov.**

## Big Sam's Mart attack

# VAN GAAL'S SET FOR A BAST BLAST

## Louis wants to raid his former club

By PETE OLIVER

NEW Man United boss Louis van Gaal is set to raid former club Bayern Munich to make his mark at Old Trafford.

Van Gaal has given United a list of transfer targets to pursue while he is on World Cup duty with the Netherlands.

And the two at the top have both played under Van Gaal at Bayern.

Bastian Schweinsteiger is a legend in Munich and helped the club win the Bundesliga under the Dutchman.

And the German star, 29, may not fit into current manager Pep Guardiola's long-term plans, so could be on the move this summer.

He would bring sure-fire class to United's midfield, where Van Gaal is looking to strengthen.

### Enjoyed

But if Schweinsteiger is deemed slightly past his peak, United have the option of going for Bayern team-mate Thomas Muller.

Muller, who plays slightly higher, is just 24 and wants to speak to the German champions about his future there, possibly opening the door for United.

Ryan Giggs has said he can't wait to start work under Van Gaal as United's new assistant manager.

The Old Trafford legend has hung up his boots to concentrate on his new role, after being the interim boss for four games at the end of last season.

"It was just a brilliant experience and one that I thoroughly enjoyed," said Giggs.

"I met Louis, I liked him instantly and I'm looking forward to working with him."

# ROMELU TO LUK FOR A TRANSFER

By FRANK McCAULEY

ROMELU LUKAKU has confirmed that he may have to leave Chelsea this summer amid speculation that the Blues are closing in on Diego Costa.

The 21-year-old striker has spent the last two seasons on loan at West Brom and Everton as he has been repeatedly overlooked.

That is not something the Belgian *(left)*, who scored 16 goals for the Toffees last season, expects to change.

"You know Chelsea, every year they buy a new top striker," he said.

"I remember coming into the dressing room last year and seeing Samuel Eto'o and Demba Ba and going, 'Whoah! What's happening here?'

"But no problem. I need a good World Cup. That's interesting for all the players looking for a transfer, and I must be one of them. Chelsea know my point of view."

## Benzema: Join us Lu!

**REAL MADRID ace Karim Benzema has urged Luis Suarez to come and join him.**

**The Frenchman *(above)* scored 24 goals in all competitions for the Spanish giants last season.**

**But he'd be happy to fight the Liverpool strike ace for a spot in Carlo Ancelotti's Madrid team next season.**

**Benzema said: "Suarez is a great player who had a great season, but in football you have to be capable of producing several of them.**

**"However, he's a great player and if he comes here he'll certainly help us."**

**Real are rumoured to be preparing an offer of around £70million to lure the 27-year-old Uruguayan *(right)* to the Bernabeu.**

# Time to batter bomb-proof Blatter!

**I'VE got a very simple solution to the Qatar World Cup debate: Boycott it.**

You'd be better advised daubing your kids in meat paste and leaving them locked in a council flat with a dozen starving pitbulls than entrusting the good of the beautiful game to Blatter and his FIFA cronies.

The Qatar World Cup bid stank from the start.

The trouble is, what we see as corruption, other cultures call "oiling the wheels of business".

Just as you or I would treat a young lady to a slap-up ruby and lashings of Bacardi in the name of romance, the Qatar bidding team will have seen nothing wrong in financial "gifts" designed to help their bid.

As the whole mess unravels, the only thing you can be certain of is that Blatter will be bomb-proof and non-stick, freeing him up to retain the position of power he claimed he had no intention of running for.

And with the Qataris preparing a legal battle should their World Cup rug be pulled from under them, the game could be heading for meltdown at the highest level.

If the leading countries in the world's football governing bodies take a stand and deliver a vote of no confidence to FIFA as its ruling body, you can bet your arse all the others will soon follow.

Let the money-mad monster that Blatter and co has turned our game into turn on its master and use its power to reclaim the game.

Then, Blatter and all his rich pals can sit in their air-conditioned stadium in Qatar – that, quite appropriately, looks like a lady part – watching sweet FA.

**THE England v Ecuador friendly was like watching a video montage of all of England's past World Cup highs and lows.**

**From letting in soft goals and spectacular strikes, scoring fairytale ones to come back from the dead and blow it again, right up to the obligatory controversial sending-off.**

**All they needed to do was decide the thing on penalties and it would have been complete.**

**I know it was a second-string side, but if that's anything to go by, it won't be a dull tournament.**

# BECK TO THE FUTURE

IT'S good that Roy Hodgson is trying to play down the hype surrounding Ross Barkley – we've seen it too many times before with Beckham, Owen and Rooney.

Obviously other countries have their talisman players, but they are usually the established Ronaldos or Messis who are better equipped to cope with the spotlight.

Let's hope we give the kid a chance, otherwise he'll be just another wasted talent to lament in a few years.

ENGLAND friendlies are like my sex life – they happen a few times a year and invariably disappoint everyone involved.

At least the game against Ecuador had some goals.

But it also means the England defence will be under as much scrutiny as the one used in court by Oscar Pistorius.

Roy Hodgson's side do have plenty of exciting attacking options so we should score as easily as Wayne Rooney in a brothel.

But there's more chance of FIFA execs turning down a brown envelope stuffed with cash than England winning the World Cup.

Captain Steven Gerrard has said the players will be ready if they end up in a penalty shootout.

# MURRAY THE WORLD CUP MANATEE!

● Gentle sea giant weighs 1,300lbs!

**EVERY tournament needs a hero – and here at *Sunday Sport* we've unearthed the legend of Brazil 2014 before a ball has even been kicked!**

That's because our team of crack investigators have spent months scouring the planet to track down a punt-picking beast that can GUARANTEE you who will win in the South American heat over the next five weeks – all the way up to and including the final on July 13.

After suffering in the deadly temperatures of the Sahara and the freezing wastes of the Arctic Circle, our boffins finally struck gold in the tropical waters of south Florida.

For that's where Murray the Manatee lives, thankfully now in peace. The loveable, lazy sea sloth – 1,300lbs of pure ocean hunk – was saved by environmental activists from a life of misery on the Caribbean island of Saint Martin, where he was being used to give rides to the children of fat, disgusting American tourists.

But with our help, he is now free to swim in the warm waters of his wildlife reserve in the Florida Keys.

Seeing Murray glide through the glistening surf is reward enough for these hard-hearted hacks. But Murray insisted on returning our generosity with the gift of football predictions.

So throughout the World Cup we'll be getting our soothsaying sea cow – the only mostly herbivorous marine mammal the bookies fear – to inform you who'll win.

## GERMANY

IF England do manage to get through their group, everyone in the country will be hoping to avoid Germany in the knockout stages – especially after the 4-1 hammering Roy Hodgson's boys took in South Africa four years ago.

But the penalty shootout kings suddenly don't look as invincible as they used to.

Joachim Low's squad may be packed with Bayern Munich stars, but since March, the Bundesliga champs have been average to say the least and were humbled in the Champions League last four by Real Madrid.

Reigning world and European champions Spain are Europe's top team now, so could this be the year we finally see the Krauts fall flat on their faces in the group stage?

Mesut Ozil's confidence took a hammering thanks to a poor first season at Arsenal and, with 36-year-old Miroslav Klose *(left)* their only real out-and-out striker, they haven't got much up front to worry opponents either.

FORMER Spurs striker Jurgen Klinsmann – a World Cup winner with Germany in 1990 – is USA coach.

He scored in each of the six major tournaments he played in so it's no surprise he's turned the US from a dour defensive unit into a more attacking outfit.

Klinsmann isn't afraid to make the big calls either, as he left Landon Donovan out of his squad despite the ex-Everton man's huge haul of caps – 156 before his controversial axeing.

The German does have plenty of guys with Premier League experience to call on, including Everton keeper Tim Howard and Aston Villa shot-stopper Brad Guzan.

Up front, Jozy Altidore had a poor season at Sunderland, so a lot will again rest on the shoulders of former Fulham hero Clint Dempsey *(left)*, who is now winding down his career with Seattle Sounders.

# THE ROAD TO RIO: JUST 4 [illegible] DAYS

**LOUIS VAN GAAL has been backed to lead Holland out of gruelling Group B.**

**That is the assessment of Wales boss Chris Coleman, whose side lost 2-0 to the Netherlands in a midweek friendly in Amsterdam.**

**The Dutch face tough assignments against current world champions Spain, Chile and Australia.**

**But Coleman has dismissed any claims that Man United boss in waiting Van Gaal has a weak side.**

**Coleman said: "They didn't look too weak to me against us and I think they will qualify.**

**"I know my players did really well, but if the Dutch can keep Robin van Persie, Arjen Robben and Wesley Sneijder fit – and Louis *(left)* has tried to play those three in a new formation – then they will create chances.**

# De Jong puts 'dirty' Alonso tackle in past

NIGEL DE JONG insists he is not a dirty player as he prepares for a World Cup reunion with Xabi Alonso.

The Spain star slammed De Jong for his kung-fu kick in the 2010 final in South Africa after calling his reckless challenge "one of the worst tackles" he had received in his career.

But De Jong, who planted his studs on Alonso's chest and escaped a red card from Premier League referee Howard Webb, claims he will be fair and on his best behaviour when the pair meet again in Salvador on Friday.

When asked about Alonso, Netherlands midfielder De Jong said: "That is in the past. It has nothing to do with this game.

"It will be a completely different kind of game.

## Confidence

"Yes, it looked a bad tackle. But of course I am a clean and honest player. That is how I am going to play.

"The past is the past and I'm just looking to the future. It was four years ago, so it is a long time ago in my memory."

The heavy collision symbolised the Dutch approach in trying to stop Spain, yet those negative tactics backfired as Andres Iniesta scored the winner in extra-time.

**By PHIL CADDEN**

But ex-Manchester City ace De Jong believes Louis van Gaal's side – the best qualifiers from Europe – can triumph this time around.

De Jong, 29, added: "We can go really far, but only if we have the confidence and we stick together as one team.

"We could be the best team in qualification, but you don't win a prize for that.

"We are unbeaten in three warm-up games and we just have to stay focused to try to win it.

"Spain is going to be a difficult game because everybody knows that they are one of the big contenders.

"We can beat them this time, but they will think the same so we just have to be focused and go there with a lot of confidence and know we can beat them."

# ROB'S MOB WON'T WIN

EVERTON manager Roberto Martinez doesn't expect any of his Goodison Park stars to come back as World Cup winners.

The Toffees have three players in Roy Hodgson's England squad in Leighton Baines, Phil Jagielka and rising midfield star Ross Barkley.

And 20-year-old defender John Stones also won his first senior England caps in the warm-up games.

But Martinez *(right)* believes

**By JIMMY POLLOCK**

the conditions in Brazil will make it impossible for a European team to lift the trophy and is tipping Argentina or the host nation to be on top of the world come the final in Rio de Janeiro on 13 July.

"From a football point of view, you can't look beyond Germany and Spain for a winner. Those two are the most suited to winning a World Cup," said Martinez.

"But look at where the tournament is being played and you will not get a European winner in South America.

"The conditions and the way football is played in South America suits them and the central American teams.

"I can't see anyone better suited than Brazil and Argentina to win this World Cup.

"You can forget about the tactical, technical and physical aspect – this tournament will be won on other grounds."

# 'FANTASTIC' ROO COULD REGAIN THE WORLD CUP

By PETE OLIVER

**WAYNE ROONEY is the best player England have got.**

That's the view of Everton's Bryan Oviedo, who should have lined up against England in the World Cup finals for Costa Rica.

Rooney has come in for widespread criticism over his form leading into the tournament, with former Manchester United team-mate Paul Scholes the latest to put the boot in.

But Oviedo is clear about how important the 28-year-old is to England's World Cup prospects.

"For me, Rooney is the best player in England. He is a fantastic player," said the Toffees' mid-fielder.

Oviedo's World Cup dreams were shattered when he broke a leg in an FA Cup tie against Stevenage in January.

He got close to a return, but just ran out of time in his bid to make it into the Costa Rica squad which faces England in their final Group D game.

The 24-year-old is sure his country will put up a decent fight against Roy Hodgson's men.

But Oviedo believes England have enough talent in their ranks to be shock contenders.

## Fighting

He added: "Daniel Sturridge is playing very well.

"England have some very good players and a lot of experience, and they also have players like Ross Barkley and Raheem Sterling.

"They are young but they are very good, and I think England have a very good chance of fighting for the World Cup because they have everything.

"It's very important for them to do well at the World Cup and I think they have a very good chance."

Gaffer Roy Hodgson has been warned that Costa Rica will not be a walkover at the World Cup.

England face the central Americans in their final Group D clash in Belo Horizonte on June 24 after tough opening games against Italy and Uruguay.

But Wales boss Chris Coleman, whose side lost 1-0 to Costa Rica in February 2012, insists Hodgson's Three Lions should not take three points for granted.

Coleman said: "Italy and Uruguay will be tough, but do not write off the Costa Ricans.

"It won't be a walkover for England against Costa Rica.

## Problems

"Roy will be mindful of that because he's not daft.

"He's a great manager and he's been in management for 30-odd years.

"But I can promise you it won't be an easy game for England. The conditions will help Costa Rica. I'm not saying they will be fitter than England, but they are used to it."

The former Fulham manager added: "They are an unpredictable team, in terms of they take a lot of chances in possession.

"Sometimes they get caught and sometimes they cause you a lot of problems.

"They do not play with a typical formation.

"It's not like a 4-4-2 or 4-2-3-1. They do work a lot.

"They have got nothing to lose, while England have got everything to lose.

"No-one will fancy Costa Rica to win."

SMASHED: Bryan Oviedo's broken leg means he will miss out on the World Cup

## Low blow as Reus ruled out

MARCO REUS is out of the World Cup after suffering an ankle injury in Germany's 6-1 friendly victory over Armenia.

The 25-year-old Borussia Dortmund midfielder has a partial tear of his ankle ligament and could be out for six or seven weeks.

"For him and for us this is extremely regrettable," said Germany coach Joachim Low.

Sampdoria's former Everton defender Shkodran Mustafi is to replace Reus *(above)*.

Reus' injury is a big problem, with Lars Bender already ruled out with a thigh strain.

"It is not about us replacing Marco Reus one on one," said Low.

"Our quality in the position behind the strikers is very high.

"We have Lukas Podolski, Andre Schurrle, Mario Gotze, Thomas Muller, Mesut Ozil, Julian Draxler and Toni Kroos to give us plenty of alternatives."

**DIEGO COSTA has ramped up his row with Luis Felipe Scolari by denying he was offered the chance to star for Brazil this summer.**

**Samba boss Scolari said he tried to get the Chelsea target to play for his home country at the World Cup.**

**But Costa – who will lead Spain's attack – said: "Scolari never phoned me.**

**"Only Spain's Vicente Del Bosque showed any interest and showed me that I was in his plans."**

# Roasting and sex is Jurgen's preparation

By JASON MELLOR

JURGEN KLINSMANN has given his frisky Yanks the green light for outdoor ROASTING sessions to help them relax at the World Cup.

But that doesn't mean the laid-back US boss will turn a blind eye to his pent-up players getting their kit off for steamy al fresco group sex sessions.

Family-man Klinsmann reckons regular BARBECUES with their nearest and dearest will help his squad turn up the heat on their opponents in the pressure-cooker group of death.

World Cup rivals Mexico have slapped a strict no-nookie notice on their sex-starved stars during the finals.

German legend Klinsmann won't go all the way to follow suit, and reckons bonding over a barbie will do the trick.

He added: "I respect the Mexican coach, because that's their culture, but we're casual the way we approach things.

"The players' families can pretty much come any time, they'll be at the games, they can come to the hotel and we can have barbecues together.

"We have a group of guys together and an environment that is very open and casual.

"But once we go on the field for training and before the games, we are very serious."

The US, face Portugal, Germany and Ghana in their killer group.

Klinsmann insists he won't slap the same kind of sex ban he endured, even if it helps them to deal with the sky-high pressure in Brazil.

The 49-year-old added: "I played in teams where you didn't see your girlfriend or your wife for two months.

"That was more when I played in Italy, but every team has a different approach."

The 2004 European champions were due to fly out yesterday morning after beating Bolivia 2-1 in a warm-up game in New Jersey.

But a technical fault meant they had to stay an extra night – effecting their build-up to their Group C opener against Columbia next Saturday.

The Chilean has two more years to run on his contract but isn't believed to be wanted by new Barca boss Luis Enrique.

United are keen to tie up a deal for the 25-year-old before the World Cup gets under way this week as they know his price will only rise if he has a good tournament. New United boss Louis van Gaal has been in touch with the Old Trafford board and told them to push ahead and get the deal done and dusted.

Liverpool and Juventus are also keen on the tricky winger, but United are in pole position to get their man.
